SEMINOLE

IN MEMORY OF . . .

A teacher who lived among us as our friend, whose practical wisdom was as influential as what he taught . . . a coach who set the pace in sportsmanship, who never felt that an athlete or a student was "through" . . . an unforgettable wit whose clever conversation brightened the dark moments of many a student and faculty alike, whose own troubles were ignored that he might cheer the lives of others . . . a successful man because he never gave up.

JACK C. TALBOTT

In memory of this teacher, sportsman and friend we humbly dedicate the 1965 SEMINOLE.

EDWARD M. EISSEY PRINCIPAL

Mr. Edward Eissey, in his never failing loyalty to our school and energetic attitude in which he goes through his tasks, daily captures the minds and hearts of the student body for announcements, devotions, and a joke or two.

He is often seen talking to a student in time of necessity or out of friendship as seen here with Cheryl Ratchesky.

With one goal in mind - we set out to prepare and preserve for you - the students of Watkins Junior High - the cherished memories of your scholastic, athletic and social achievements during this school year.

Feeling we have obtained our goal and your approval

With great pride, we present . . .

FOLLOW US:

. . . THROUGH OUR SCHOOL

Is this Miss Patsy Bell giving a king-sized detention? No! It is just the beginning of a typical day as Marta Crocker picks up the morning attendance slips.

A locker holds many things lunch, shoes, gym suits, socks, sweaters, hair spray, spiders, and ... oh yes ... Books.

Bold colors of orange and blue on a reversible collar accent the beauty of white robes worn by the chorus.

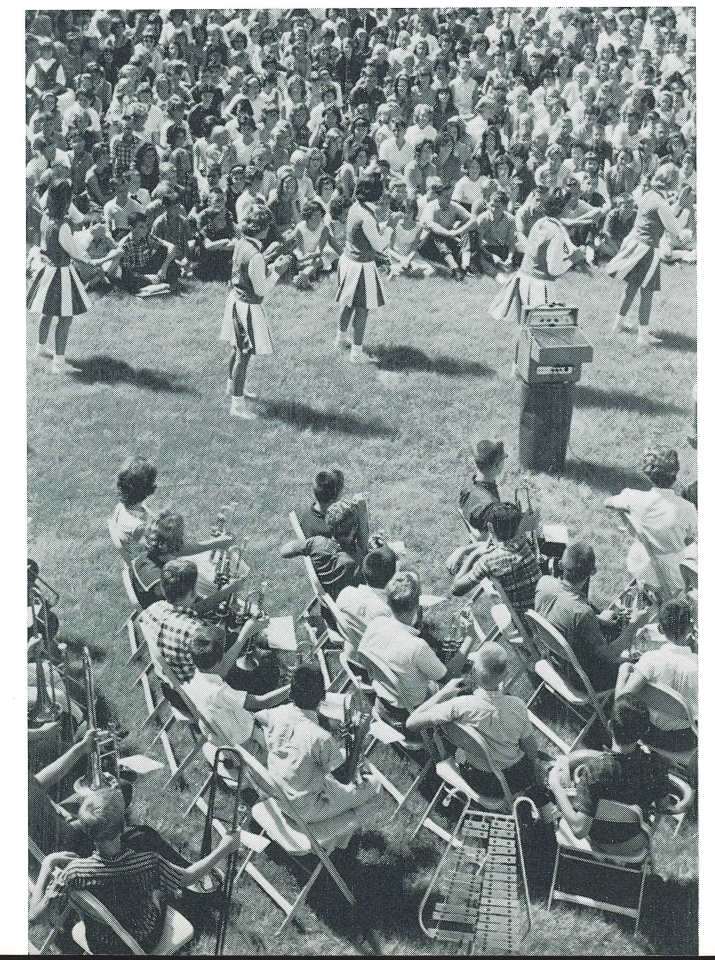

Ah! the pause that refreshes .. Students exchange hello's as they enjoy a cool drink between classes.

Work is not the only thing on the minds of the students ... about noon every day, the cafeteria becomes the most popular place on campus.

The band is playing, the students are yelling, the cheerleaders are cheering. What is it? A parade? A rocket blasting off? Superman? NO! It's a Watkins Junior High Pep Rally.

Students Stunned By Death Of Kirby Harrison

memorial

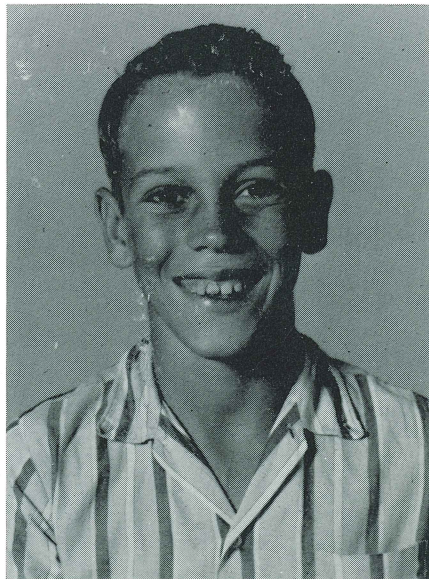

On Friday, Jan. 22, Kirby Harrison, a member of the seventh grade basketball team, died playing the game he loved. Kirby became dizzy near the end of the first half of the game at Northboro's Gym and was taken outside for air. He was brought back inside and then started gasping for breath. Northboro Coach Rutter gave artificial respiration until Kirby was removed to the hospital. Kirby was pronounced dead on arrival at Good Samaritan.

Kirby was very well liked by all who knew him. He was known for his good sense of humor and happy nature. As an athlete he was outstanding in all sports in which he participated. Kirby was also a member of the student council and in Mr. Preston's homeroom.

Everyone was shocked by Kirby's death and we at Watkins have deeply felt the loss of this fine boy. Coach Skinner described him as an enthusiastic student and a very good basketball player. It was quite a shock to him, as it was to all of us.

Funeral services were held for Kirby on Monday, Jan. 25, 2 p.m. at the Palm Bethel Primitive Baptist Church. The members of the seventh grade basketball team and Mr. Preston's homeroom attended the services.
